ly announcing Capt. T. H. CLARK, of the 2d Regiment S C. Cavalry, a candida e for Sheriff of Edg-field District at the next election. Captain CLARK is well known to the people of this District, as a high-toned gentleman, and noted for his upright deportment and business qualifications. He has had considerable experience in the Sheriff's office, and, if elected to that office, would beyond a doubt discharge its duties satisfactorily to the people and with credit to himself. Capt. C. is a meritorious gentleman and a well-tried and gallant soldier. He entered the service near two years since as a private in the Edgefield Heccars, but by assiduous attention to his duty and his uniform respect for his officers and kindness to his comrades he was early promoted to the Captainer of the Hussars, which position he fills well. His superior Officers and the members of his Company speak in the highest terms of him. Therefore we, his friends at home, respectfully present his name before the people of Edgefield as a candidate for Sheriff, with the full assurance that he is in every respect worthy of their confidence.

For Sheriff.

Mr. Eptron: Please nuncunce Capt. A. P. WEST, late Captain Co. B, 14th S. C. V., as a Candidate for the Sheriffalty of Edgefield District at the ensuing election. Capt. Wast entered the service at an early period of the war, and noted with distinguished gallantry in all the battles in which his Regiment was engaged, and received a severe wound in the light at On Hill, which disabled Lim from further continuance in the service.

His integrity and energy of character, his business qualities and his bearing as a soldier and gentlemaz, as known to us by a long acquaintance through the most trying scenes of the service, render him peculiarly fitted far the office. As such his name is respectfully submitted to the voters of Edgefield rs a candidate for Sheriff, by
